

**PETRONAS****TECHNICAL DATA SHEET****PETRONAS**  
**DURANCE****SC35****- PRODUCT FEATURES**

Concentrate windscreen washer, detergent and anti-freeze for the windscreen wash system.

Use: window wiper tank.

Diluted according to directions, it can be used even at lower temperatures and to melt ice on the windshield.

It is effective in removing dust, grease and deposited insects on car windows.

It does not leave stains and it is compatible with the paint, chrome and rubber parts.

**- APPROVALS**

FCA 9.55522 CONTRACTUAL TECHNICAL REF. Nr. F001.D16

**- CHEMICAL AND PHYSICAL PROPERTIES**

| Property                                 | Method                       | Units             | Typical value |
|--|------------------------------|-------------------|---------------|
| Appearance                               | Visual                       | -                 | Clear liquid  |
| Colour                                   | Visual                       | -                 | Blue          |
| Density (20°C)                           | IL 11.01.026 (°)             | g/cm <sup>3</sup> | 0.904         |
| pH                                       | ASTM 1287 / IL 11.01.002 (°) | -                 | 10.5          |
